SERVICEMAN'S CORNER

Dear Gladys & Warren: Just a few lines to let you know I have a change of address. If you haven't guessed it by now, I'm in Korea! Your papers are coming along as regular as rain, so maybe you could put a few words in it for my buddies at home, and still in the U.S. who are in the Service: "Hello, fellows--I sure am having mucho fun over here, wish you were here, too! The chow is pretty good for overseas, but the weather stinks---sure wish you were here!"

Yours truly, PFC HOWARD GREEN
USMCR.

Thanks, Howard---glad to hear from you again after all this time. Several people here have asked about you, so now we can pass the news along to them. Thank you for including your new address, and we sure wish we could print it here so that all your buddies here and overseas, who are getting the BYLINE too could write you---but there are security restrictions now, you know. They can write to me and get the address, though.

PFC MICKEY HUNTER, USMC, was home this week on a three day pass, from Camp Pendleton at Oceanside, California.

Enjoying a 30 day leave, GMSN PAUL SULTAIRE, USNAVY, has been east, visiting his folks before returning here, where he is stationed at present--at Hunter's Point Naval Yard.

PFC EDDIE BARRON, USMC, is now stationed at Mare Island Naval Hospital #14, at Vallejo, California.

Just in case some of you guys in the service don't remember the last time it snowed here in Brisbane--today Larry (Bratton) Jenkins came down out of the hills with a carload of SNOW--and a "bunch of the boys were whooping it up" right out on the main street--with a SNOWBALL FIGHT, yet! All this happened on Wednesday of this week. We do know for sure that this is the first snow WE'VE seen since we came down out of the snowy plains of Oregon some nine years ago!

Well, so long for this time, guys--how about some more letters from you for the BYLINE? We're always tickled to hear from you, even if it's only a line!

Editor & Staff, BRISBANE BYLINE

EASTER CROSS IN READINESS:

Art Kennedy and Clint Stewart have been devoting their weekend leisure (?) hours for the past few weeks to beautifying the Cross on Brisbane's hillsides, in readiness for Easter, which is March 25th this year! Incidentally, the Cross will also be lighted up for the Red Cross Fund Drive, which starts this week.

FOR THE BOOKMORM

BOOK REVIEW:---Hello, fellow adventurers. This week's book is full of such terms as "KALI", the goddess of death; "KRISHNAR", the god of love and gaiety; "diwani" meaning "madness"---and other such things, totally unfamiliar to most of us, but part of the everyday language in India in the Victorian world of yesteryear. In "INFINITE WOMAN", the author, Edison Marshall--who also wrote Yankee Pasha, Gypsy Sixpense, and Castle in the Swamp--takes his heroine, Lola Montera (Lucia Riley in her real-life) from India, to England, back to India, then back to England, and then all over the Europe as it was known then. As a famous dancer, Lola becomes emroiled with many love affairs, but the three most important men in her life are MANU, the Indian servant of her childhood and of her adulthood; RENE, the one great love of her life; and JEFFRY, LORD LUNDY OF BLACKMOOR, who follows her wherever she goes, causing the deaths or accidents, through fair means or foul, to the lovers in her life. Lord Lundy is by far the most interesting character in the book, not only for his madness, but for the truths he dares put into words---the words which most of us are too polite or civilized to utter. Lola's final revenge on him makes for one of the most exciting but unbelievable climaxes I have ever found in the world of escape--books! Read it, if you want to escape from the world of today--only to find that the world of yesterday was so much worse than this one could ever be--atom bombs or no!

LETTER TO PARENTS OF BRISBANE:

Dear Parents: If your child is not receiving the benefits of Girl Scouting perhaps you will be interested in knowing that a "Fly-up" training course will be in progress Mar. 1st, 8th, & 15th, from

DID YOU KNOW:

that there's a visitor at the home of MR. & MRS. AL PAHLOW, of 105-B Visitation Avenue? That the visitor looks enough like Evelyn Pahlow to be her sister? That she IS Evelyn's sister, ROWENA HACKNEY, of Alliance, Nebraska?

that MRS. GEORGE BRADY suffered a heart attack while shopping in the CITY last week, and was rushed to the St. Francisco Emergency Hospital for treatment, and is now home convalescing from her bad scare?

that little five year old Patrick Dawe of 46 San Benito Road had his tonsils removed at St. Mary's Hospital in San Francisco last week, this being little Pat's first sojourn in a hospital?

that there's a cute red-head in town, by the name of Frances Phelps, who is visiting Tony and Lucille Peterson, of Tony's Steak House? That little Miss Phelps is all of thirteen, and hails from San Francisco?

that there's also a new "teen-ager" in town, in the person of lovely Joan Tucker, seventeen year old niece of Mrs. Charles May of 26 San Bruno Avenue? That Miss Tucker hails from Louisville, Kentucky, and that Mrs. May hopes to persuade her to remain here permanently?

FORMER RESIDENTS VACATIONING IN MEXICO:

Mr. and Mrs. Lloyd Isdahl, brother and sister-in-law of Mrs. Agnes Lehning, of #7 Lehning Way, and former residents of Brisbane themselves, are enjoying a wonderful three week vacation in sunny Mexico, while the rest of us are slowly freeeeezing to death! Incidentally, Mrs. Isdahl is the Marjorie Isdahl who was Girl Scout Leader here for so many years. The Isdahls now reside in another Peninsula city.

OPEN COMPETITIVE EXAMINATIONS:

The Board of U.S. Civil Service Examiners for Region Six, Civil Aeronautics Administration announces open-competitive examinations for the positions of Radio Technician and Radio Maintenance Technician for the Department of Commerce, Civil Aeronautics Administration.

Further information and application forms may be obtained from any first- or second-class post office in the States of California, Arizona, Nevada or Utah or by contacting the Secretary, Board of U.S. Civil Service Examiners, Civil Aeronautics Administration, 5651 West Manchester Avenue, Los Angeles 45, California.

Executive Leader, North County Federation of Girl Scouts.

FEBRUARY CUB PACK MEETING HELD:

February's Cub Pack Meeting for Cub Pack #134, Brisbane--caught a lot of us folks napping. Because of the short month, the Pack Meeting was held on the 23rd of the month--and a lot of us let it sneak right by us--never dreaming that that "guilty" feeling we had was because we weren't where we belonged! I was one of them---so Mrs. Arlene Peuschel was kind enough to bring down the report for me. Many thanks, Arlene!-----YE EDITOR.

Here's her report:---Cub Pack Meeting was held at the schoolhouse on the evening of February 23rd, with Richard Fassett officiating, due to the absence of Cubmaster George Brady because of Mrs. Brady's illness. The salute to the flag was led by Mr. Fassett. Awards were as follows: Wolf badge and one year star, Gary Chapman. Lion Gold arrow, Gene Firth. Bear Badge, Ronnie Sailor. Gold arrow, Stanley Kurtz. Bear badge and gold arrow, Raymond Kurtz. Gold and Silver Arrow, Derral Thrasher. Mrs. Jensen's Den #1 received the perfect attendance banner for February. Mr. Jensen awarded to Mr. Fassett his seven year star.

Mr. Fassett made a plea to parents of cubs to volunteer to serve on the Cub Pack Committee. Refreshments were served by the committee.

--Arlene Peuschel, Secretary,
Cub Pack #134.

FORMER RESIDENTS BACK FOR A VISIT:

Mr. and Mrs. Ralph Poeschel and children, Ralph and Donna, now residing in Downieville, California, made a quick trip back to Brisbane, visiting on Friday and Saturday with Mr. and Mrs. A.C. Poeschel Sr., of 225 San Benito Road--parents of Mr. Ralph Poeschel---and also visited Brother Carl Poeschel and family of Eldorado Street.

We've all missed Ralph and Taletha very much, and wish they could stay longer on their next visit!

FOUND: A RED PLASTIC "SALAD SET", LEFT AT THE CUB SCOUTS BLUE & GOLD DINNER. CALL DELAWARE 3-5872, or come to 98 Eldorado.

RECREATION CENTER NEWS:

Square Dancing at the recreation hall for beginners is rapidly becoming very popular. Clubs will no doubt be formed, and participation with other clubs on the Peninsula may result.

There will be a kite-making contest this Saturday, at 1:30 p.m. at the Recreation Center. Prizes will be given for the smallest, largest, best constructed, prettiest, uniqueness, fanciest, etc.

Tonight (Friday) there's a Jr. Teen-Age dance at the Recreation Center. Hot dogs, soft drinks, and popcorn will be served as refreshments. Admission, 25¢.

---STANFORD BINGHAM,
Director.

BRISBANE PTA FOUNDER'S NIGHT:

Founder's Night was observed by the Brisbane Parent-Teacher's Association on Wednesday evening of this week (Feb. 28th), at the schoolhouse, with Mrs. Clara Sirex, president of the 17th Dist. PTA speaking on "Faith of our Founders"--a highly enlightening and entertaining history of the first PTA gathering in 1896. Mrs. Lucille Record was surprised to receive the Life Membership Pin for her outstanding service in the local organization. Officers for the coming year were unanimously elected, and Frankie King's Glee Club came up with a delightful group of songs, despite the fact that a large part of the group were absent because of illness. Mr. King sang the solo part of one of the absences, Mr. Hansen, so that the Glee Club could sing the song they had been preparing for just this occasion for the past three months--and a very admirable job he did of it, too! Chairman for Founder's Night was Mrs. Ralph Mooers.

Due to previous commitments, your editor had to leave directly after the glee club had sung, so we were unable to make a complete report at this time. It is hoped that we may have the opportunity of printing the complete report in a future issue. (Incidentally, the tables were decorated beautifully!)

DID YOU KNOW:

that our Circulation Manager, being friend husband Warren Reece, and good friend Galen Gilbrech, will be partners in the Service Station and Garage located at #1 San Bruno Avenue, here in Brisbane---and it will be known as "G & R SERVICE"? That present owner Larry Mills has found himself with too much to do--and is no longer able to work at the station!

We recommend this low-cost plan issued by FOREST LAWN INSURANCE COMPANY. Regardless of how little has been paid in, cash for funeral expenses is immediately available!

NEWS FROM THE NAZARENE CHURCH:

Sunday night closed the meetings that have been held at the Nazarene Church. "Nettie" Neff, as Woman Evangelist, brought great inspiring messages on "hell-fire" and "THE JUDGMENT". These messages left determinations in everyone to be ready to meet Jesus. We were privileged to have "Hartley Prestlewaite" leading the music, and bringing many specials by voice and instruments. We also enjoyed a lot of special talent from out of town, such as duets, solo's, and accordion specialties. We enjoyed having many of the Brisbane people come to these meetings, especially some business people of Brisbane. How happy we were to see so many boys and girls attending these meetings, also. There will be a warm welcome to everyone who comes to the Nazarene Church, on the corner of Mono and Klamath Streets-- Sunday meetings at 11:00 a.m.--Sincerely,

THE NAZARENE CHURCH.

BRISBANE CD COUNCIL PUBLIC MEETING:

Brisbane's Civil Defense Council held it's first public meeting of this year at the schoolhouse on Tuesday evening, February 27th--with several County officials attending. Among the list of principal speakers were San Mateo County Supervisor Edw. R. McDonald, Mr. D. Creeks, representing the County Sheriff's office, and Mr. Moore, representing J. Tormey, County Supt. of Schools. Other speakers were John W. Smith, controller Brisbane CD Council, who also acted as chairman of the event; F. Walsh, Chief Warden; L. Terry, Brisbane firechief and representative of County Firewarden Werder; continued above;

(continued from below):

Police Commissioner Wm. H. Rook, Sr., recorder Brisbane CD Council; Herb Tann, treasurer CD Council; and Commissioners from Fire Department, Police District, Water District, and representatives from all local organizations.

Besides the above, approximately 150 local residents and out-of-towners attended this large Public Meeting, at which the main topic of discussion was Civil Defense procedure in Unincorporated Areas.

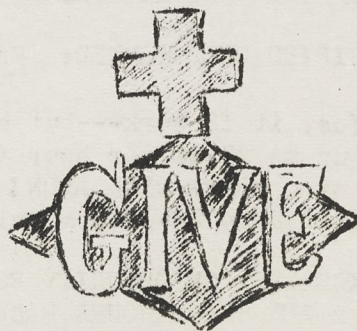

McDonald complimented our local CD council on it's present program, and asked that they do not yet appoint a chairman, until the County Coordinator is appointed, which will be in the near future. He also suggested that we all read carefully the booklet "Survival under Atomic Attack"--many of these booklets have already been distributed in this area, but anyone who has not yet received his copy may apply for same at the BYLINE office, from CD clerk, Gladys Reece.

McDonald also asked that we practice and learn First Aid, and emphasized that we do not spread rumors.

Mr. Creeks, representing the Sheriff's office, suggested that men who are signing up for Reserve Police work be carefully screened, and placed into the positions in which they can best serve this area at time of extreme emergency and disaster. He invited all those who are signed up, or who will sign up, for volunteer police work, to attend Police Science, Police

March is Fund Campaign Month

(more about CD Public Meeting):from p.5

Protection, and First Aid classes now being held at the Recreation Hall at 101 Parkview Avenue in Daly City. He also said there are Judo classes being held in San Carlos, which our local Police Reserves may take advantage of, if they care to do so. He said that there are about 108 hours of actual police training, and 12 hours First Aid training, which are necessary in order to become a full-fledged Police Reserve.

Mr. Moore, representing County Supt. of Schools Tormey, reported that a survey is being taken of all schools, and meeting halls, in the County, for the purpose of placing them at the disposal of refugees and injured persons at time of extreme disaster---these emergency buildings would probably house many people from other areas nearby, as well as our own county residents.

Representing Brisbane CD council clerk Gladys Reece, was her husband, Warren L. Reece, and her secretary, Miss Carolyn Cook. Controller Smith complimented Mrs. Reece and her staff on the manner in which they have handled their reports to the Council.

Treasurer Herb Tamm said there still was a great need for more volunteers for CD work, as the few that are now active are overworked, and need assistance immediately. He announced that Reserve Firemen are now holding evening classes at the local firehouse, and that anyone interested this type of training should sign up for auxiliary firemen CD work now.

Mr. Frank Walsh, Chief Warden, made a plea for more wardens, especially for the Kings Road-Humboldt Road-Trinity Road areas.

Police Commissioner Rook asked for more police reserves, and Firechief Lou Terry made a report on the fire departments activity in local Civil Defense program. Controller Smith gave the Control Center Report, and adjourned the highly successful meeting at 9:15 p.m.

It is asked that you watch the columns of the BYLINE for announcements of all future meetings.

--Gladys Reece, clerk, Brisbane

YEAR. REMEMBER, AVON;--JUno 3-1368

LET'S BEAUTIFY BRISBANE!!

As the result of several meetings held by representatives of all organizations in Brisbane, the Brisbane Improvement Club has been formed. The main purpose of the Club is to "BEAUTIFY BRISBANE". The dues are 50¢ a year, and every adult in Brisbane is urged to join and support the program.

Funds raised from the dues will be used to defray the expenses of a publicity program, mailings, etc. If sufficient money is raised, perhaps prizes will be offered for the biggest improvement made in a residential or business property, and for the most attractive front yard.

With the cooperation of all organizations, an endeavor will be made to secure assistance from the County to widen the two main streets, Visitation and San Bruno Avenues, and to have storm sewers installed to eliminate the very deep gutters, and to have the dangerous spots covered over, such as the one at the corner of Glenn Park and San Bruno.

It was suggested that rubbish cans be placed along Visitation, and possibly small trees planted in wooden tubs.

March 6th is the next meeting date at 8 p.m. in the American Legion Hall. Please attend and express yourself. A definite program needs to be worked out, and many volunteers will be necessary to put the plan into action.

Members of the Club will be calling on you to ask you to join, and to request your cooperation in making Brisbane as beautiful as it's surroundings.

THE BRISBANE IMPROVEMENT CLUB.

FIRE DEPT. PORT'S WOMEN'S AUXILIARY UNIT:

Fire Chief Lou Terry is very proud of this new unit. It was organized in July of 1950, for the purpose of assisting the regular firemen in case of emergency, and in conjunction with Civil Defense program. Training consisted of 12 classes of 2 hours each for first aid, resuscitation, gas masks, and ambulance duties under Capt. Herb Tamm. Fire training and rescue work consisted of 20 two hour classes under Chief Terry's direction. Fire Marshall Siess assisted with the teaching of the operation of trucks and pumps. The "Firegirls" are Dorothy Cole, captain--Lola Miles, Louise Terry, Wilene Watkins, Thyra Schroeder,---with dispatchers being Blanche Terry and Juanita Siess. "These women have proven that they are dependable and are very capable of performing the duties for which they have been trained," says Fire Chief Lou Terry.
